This was the 90s.

The era of Nelson Mandela... and

Nirvana

With Dolly the sheep, Bill Clinton,
and Tiger Woods.

WWE and Recess.

The advent of that little blue pill
and the age of Vanilla Ice and
hip-hop

We had Friends in New York and
wanted to get with the spice girls
and the fresh prince.

We mourned a princess

And welcomed...

The World Wide Web.

This was just the beginning.
